Where
everything
flows and
becomes
design.

Dove tutto scorre e diventa design.

Tubico propone una selezione accurata, per qualità e sostenibilità, di prodotti per la rubinetteria per il bagno, la cucina e il wellness, **unicamente Made in Italy**.

Il tratto italiano scorre in ogni oggetto e il design moderno, pulito ed essenziale si fa strumento di sostenibilità, risparmio idrico e impatto ambientale consapevole.

Un modo nuovo di concepire i dettagli degli ambienti in cui lo spazio è specchio di scelte legate al comfort e al benessere nella sfera intima e globale.

*In terms of quality and sustainability, Tubico offers a carefully chosen selection of products for bathroom, kitchen and wellness taps, **exclusively Made in Italy**.*

The Italian style runs through every object and the modern, clean and essential design becomes a tool for sustainability, water conservation and environmentally conscious impact.

A new way of conceiving the details of the environment in which space mirrors choices linked to comfort and well-being in the intimate and global sphere.

Packaging

**Ci prendiamo cura del pianeta a 360 gradi
e progettiamo per proteggerlo.**

Ecco perché, per ogni accessorio Tubico, abbiamo scelto un packaging in ecocartone 100% riciclabile, racchiuso in un sacchetto antigraffio in juta naturale, protetto da trucioli in legno.

We care for the planet all round and design to protect it.

That's why, for each Tubico accessory, we have chosen 100% recyclable eco-cardboard packaging, enclosed in a scratch-resistant natural jute bag, protected by wood shavings..

Per il miglior acciaio inox, abbiamo scelto la migliore tecnologia per i rivestimenti: il **PVD**. Progettiamo prodotti dall'alta **resistenza e durevolezza**, anche grazie al PVD che è una delle più innovative tecniche di rivestimento, utilizzata originariamente nei programmi aereospaziali.

In più, il PVD è un **processo di colorazione green**, perché più rispettoso dell'ambiente di quelli tradizionali, come la galvanica o la verniciatura, con zero impatti sulla nostra salute e su quella del Pianeta.

Le colorazioni Tubico in PVD raccontano la ricerca, l'innovazione e il design presente in ogni nostra creazione.

*For the best stainless steel, we chose the best coating technology: **PVD**. We design products with **high strength and durability**, also thanks to PVD which is one of the most innovative coating techniques, originally used in aerospace programmes. In addition, PVD is a **green colouring process**, because it is more environmentally friendly than traditional processes such as electroplating or painting, with zero impact on our health and that of the planet.*

Tubico's PVD colours illustrate the research, innovation and design that goes into each of our creations.

Condizioni generali

PREZZI

I prezzi del listino non comprendono l'I.V.A. e possono essere soggetti a variazioni senza preavviso. La merce è venduta al prezzo in vigore al momento dell'ordine.

ORDINI

Con la trasmissione dell'ordine, il cliente accetta tutte le condizioni elencate di seguito:

- L'ordine è vincolante per il cliente, mentre impegna Tubico s.r.l.s. solo dopo espressa accettazione.
- Non possono essere effettuati annullamenti senza l'accordo scritto di Tubico s.r.l.s. che si riserva comunque di applicare oneri e spese che ne derivano.

PAGAMENTI

I pagamenti devono essere effettuati direttamente alla Tubico s.r.l.s., rispettando i termini pattuiti. Il mancato rispetto dei termini di pagamento pattuiti può comportare a discrezione dell'azienda la sospensione delle ulteriori forniture in corso, anche se già accettate, o una proroga sui termini di consegna delle stesse. Qualunque contestazione non autorizza il cliente a sospendere il pagamento.

RISERVA DI PROPRIETÀ

Fino al momento in cui Tubico s.r.l.s. non abbia ricevuto il pagamento del valore complessivo dei prodotti, gli stessi rimarranno di esclusiva proprietà di Tubico s.r.l.s.

CONSEGNE

I tempi di consegna dell'ordine, eventualmente pattuiti, non sono vincolanti e si intendono, salvo imprevisti quali a titolo esemplificativo e non esaustivo, calamità naturali, sommosse, scioperi aziendali e di trasporto, incendi, mancanza di energia elettrica, mancata o ritardata ricezione di materie prime e altri eventi imprevedibili. In nessun caso, comunque, possono dare luogo a indennizzo o risarcimento alcuno da parte di Tubico s.r.l.s. La società si riserva il diritto di evadere l'ordine anche con spedizioni parziali.

RECLAMI

All'atto della consegna il compratore è tenuto alla verifica del materiale ordinato. Qualsiasi reclamo, dovuto a ritardi o a danneggiamenti del materiale causati dal trasporto, deve essere fatto al vettore al momento della consegna. Ogni reclamo dovrà essere inoltrato a Tubico s.r.l.s. per iscritto entro 7 giorni dalla data di ricevimento della merce, e dovrà includere una descrizione analitica del vizio, allegando foto a supporto, garanzia e scontrino o fattura d'acquisto.

DATI DEL CLIENTE

Il cliente è responsabile della comunicazione dei propri dati fiscali forniti a Tubico s.r.l.s. in base alla legislazione vigente (Ditta, Ragione Sociale, Sede, Partita I.V.A.). I dati del cliente, secondo il D.lgs. 196/2003, saranno custoditi ed elaborati per gli adempimenti degli obblighi di Legge. Ogni altro utilizzo dovrà essere espressamente autorizzato dal cliente.

RESPONSABILITÀ

Non si accettano merci di ritorno se non rese in porto franco e autorizzate preventivamente da Tubico s.r.l.s. Solo il materiale da Tubico s.r.l.s. riscontrato difettoso sarà sostituito gratuitamente, senza nessun altro indennizzo per danni, spese o riparazioni. Tubico s.r.l.s. non si assume alcuna responsabilità per difetti derivanti dalla manomissione dei propri prodotti e per danni derivati dalla posa di materiale difettoso.

GIURISDIZIONE E LEGGE APPLICABILE

Le forniture sono soggette alla legge italiana. Per qualunque controversia è riconosciuta la sola ed esclusiva competenza del foro di Bari.

General terms

PRICES

List prices do not include VAT and are subject to change without notice. The goods are sold at the price in force at the time of the order.

ORDERS

By placing an order, the customer accepts all the conditions listed below:

- *The order is binding for the customer, but Tubico s.r.l. is committed only after express acceptance.*
- *No cancellations may be made without the written agreement of Tubico s.r.l., which reserves the right to apply charges and expenses arising from such cancellations.*

PAYMENTS

Payments must be made directly to Tubico s.r.l., in accordance with the agreed terms. Failure to comply with the agreed payment terms may, at the company's discretion, result in the suspension of further supplies, even if already accepted, or an extension of the delivery terms for the same. Any dispute shall not entitle the customer to suspend payment.

RETENTION OF OWNERSHIP

Until such time as Tubico s.r.l.s. has received payment of the total value of the products, they shall remain the exclusive property of Tubico s.r.l.s..

DELIVERIES

The delivery times of the order, if any, are not binding and are understood to be subject to unforeseen events such as, but not limited to, natural disasters, riots, company and transport strikes, fires, lack of electricity, non-receipt or delayed receipt of raw materials and other unforeseeable events. Under no circumstances, however, may they give rise to any indemnity or compensation whatsoever on the part of Tubico s.r.l.. The company reserves the right to process the order even with partial shipments.

COMPLAINTS

Upon delivery, the buyer is obliged to check the material ordered. Any complaint due to delays or damage to the material caused by transport must be made to the carrier at the time of delivery. Every complaint must be sent to Tubico s.r.l. in writing within 7 days from the date of receipt of the goods, and must include an analytical description of the defect, attaching supporting photographs, warranty and receipt or invoice.

CUSTOMER DATA

The customer is responsible for communicating their own fiscal data provided to Tubico s.r.l.s. in accordance with current legislation (Company, Business Name, Head Office, VAT number). Customer data, according to Italian Legislative Decree 196/2003, will be kept and processed for the fulfilment of legal obligations. Any other use must be expressly authorised by the customer.

RESPONSIBILITY

Returned goods are not accepted unless returned carriage paid and authorised in advance by Tubico s.r.l.s. Only materials found by Tubico s.r.l.s. to be defective will be replaced free of charge, without any other compensation for damages, expenses or repairs. Tubico s.r.l. does not assume any responsibility for defects deriving from the tampering of its products or for damage caused by the installation of defective material.

JURISDICTION AND APPLICABLE LAW

Deliveries are subject to Italian law. The sole and exclusive jurisdiction of the Court of Bari is recognised for any dispute.

Termini di garanzia

Warranty terms

GARANZIA CONVENZIONALE

La Tubico s.r.l.s. garantisce tutti i suoi prodotti da difetti di fabbricazione come segue.

- **Garanzia di 2 anni per difetti di fusione o porosità;**
- **Garanzia di 2 anni per difetti su cartucce e vitoni** (si ricorda che l'usura di queste componenti dipende dalla qualità dell'acqua e dalle caratteristiche dell'impianto). Tale garanzia non opera in caso di mancata pulizia dell'impianto e delle tubazioni prima di eseguire l'installazione della rubinetteria.
- **Garanzia di 2 anni per difetti sui rivestimenti satinato, nero, rame e oro.**
- La garanzia non opera qualora il difetto dipenda da errata manutenzione, come l'utilizzo di prodotti di pulizia non idonei. Il cliente è tenuto ad osservare le avvertenze sulla pulizia dei prodotti di seguito descritte per la cura del prodotto.

Per poter usufruire della garanzia, **raccomandiamo di conservare lo scontrino**, o altra prova attestante la data di acquisto e di allegarlo al tagliando di garanzia. **La garanzia si limita alla sostituzione gratuita di quelle parti che per difetti di fabbricazione determinassero irregolare funzionamento**, sempre che ciò non dipenda da incuria, negligenza d'uso, errata manutenzione, irregolare installazione, interventi di persone non qualificate o da cause di forza maggiore. Il mancato rispetto di tali condizioni provoca l'immediata decaduta della garanzia stessa. I materiali difettosi dovranno essere resi, unitamente al tagliando di garanzia e copia dello scontrino d'acquisto e prova dell'avvenuta pulizia dell'impianto e delle tubazioni prima dell'installazione della rubinetteria. Gli stessi saranno resi franco destino. La presente garanzia esclude qualsiasi responsabilità di Tubico s.r.l.s., per tutte le conseguenze derivanti da un improprio impiego o installazione dei nostri materiali.

ESCLUSIONE DELLA GARANZIA CONVENZIONALE E DEL DIRITTO DI REGRESSO/RIVALSA

La garanzia convenzionale non si applica sui prodotti rivenduti. Quindi per l'ipotesi di prodotti rivenduti a terze parti, troverà applicazione unicamente la garanzia legale tra Tubico s.r.l.s. e il primo acquirente.

AVVERTENZE PER LA CURA DEL PRODOTTO

Una cura periodica del vostro rubinetto contribuirà a mantenerlo bello ed efficiente nel tempo. Segui attentamente questi consigli:

- Asciuga sempre il rubinetto con un panno morbido o una pelle di daino, per impedire la formazione del calcare.
- Utilizza sapone liquido diluito in acqua
- Sono altamente sconsigliati: detergivi liquidi contenenti sostanze abrasive o a base di acido muriatico, spugne abrasive, acetone, ammoniaca, acetone, candeggina, acidi di uso domestico e disinfettanti. Tali prodotti non devono essere utilizzati anche per la pulizia dei sanitari in prossimità della rubinetteria installata.
- Decalcificazione: i depositi di calcare e di sporco nei filtri degli aeratori possono essere rimossi smontando l'aeratore ed immersendolo in aceto diluito.
- Lasciare in ammollo per qualche ora, lavare con acqua e sapone quindi risciacquare.
- Ricambi: si raccomanda di utilizzare esclusivamente ricambi originali Tubico s.r.l.s. disponibili solo presso rivenditori autorizzati.

ATTENZIONE!

L'impiego di prodotti non consigliati può deteriorare irrimediabilmente le superfici dei rubinetti.

NOTE

- L'azienda si riserva in qualunque momento di apportare senza preavviso modifiche a prodotti e accessori, di modificare e/o sopprimere gli articoli del presente catalogo.
- Dati, misure o schemi su questo catalogo hanno solamente carattere informativo e non sono vincolanti.
- Questo catalogo annulla e sostituisce i precedenti.

CONVENTIONAL WARRANTY

Tubico s.r.l. guarantees all its products against manufacturing defects as follows.

- **2-year warranty for casting defects or porosity;**
- **2-year warranty for defects on cartridges and screws** (remember that the wear of these components depends on the quality of the water and the characteristics of the system). This warranty does not apply if the system and pipes are not cleaned before the fitting is installed.
- **2-year warranty for defects on satin, black, copper and gold coatings.**
- **The guarantee does not apply if the defect is due to incorrect maintenance, such as the use of unsuitable cleaning products. The customer is obliged to observe the following product care instructions.**

In order to benefit from the warranty, we recommend that you keep your receipt or other proof of purchase date and attach it to the warranty coupon. The warranty is limited to the free replacement of parts which, due to manufacturing defects, lead to malfunctioning, provided that this is not due to carelessness, negligence, incorrect maintenance, improper installation, intervention by unqualified persons or force majeure. Failure to comply with these conditions shall result in immediate forfeiture of the warranty. Defective materials must be returned, together with the warranty coupon and a copy of the purchase receipt and proof that the system and piping have been cleaned before installation of the fittings. They will be returned free of charge to the destination. This warranty excludes any liability on the part of Tubico s.r.l. for any and all consequences arising from the improper use or installation of our materials.

EXCLUSION OF CONVENTIONAL WARRANTY AND THE RIGHT OF RE COURSE/REVERSAL

The conventional warranty does not apply to resold products. Therefore, in the case of products resold to third parties, only the legal warranty between Tubico s.r.l.s. and the first purchaser will apply.

PRODUCT CARE INSTRUCTIONS

Regular care of your tap will help to keep it looking good and working efficiently over time. Follow these tips carefully:

- Always wipe the tap with a soft cloth or buckskin to prevent limescale build-up.
- Use liquid soap diluted with water
- The following are highly inadvisable: liquid detergents containing abrasive substances or containing muriatic acid, scouring pads, vinegar, ammonia, acetone, bleach, household acids and disinfectants. These products must also not be used for cleaning sanitary ware in the vicinity of installed taps.
- Descaling: Limescale and dirt deposits in the aerator filters can be removed by dismantling the aerator and soaking it in diluted vinegar.
- Leave to soak for a few hours, wash with soap and water then rinse.
- Spare parts: it is recommended to use only original Tubico s.r.l. spare parts available only from authorised dealers.

ATTENTION!

The use of non-recommended products can cause irreparable damage to tap surfaces.
